ABOUT US

Zorg Lifesciences India Pvt. Ltd., headquartered in Ahmedabad, is a fast-growing pharmaceutical company since 2014, built on the solid foundation of our founder's 40+ years of rich industry experience.

We specialize in a diverse portfolio covering Plasma care, Intensive Care, Gynae, and Oral Care medicines, all crafted with uncompromising quality and global standards.

At **Zorg Lifesciences**, we believe every person deserves a chance for a healthy life, free from illness and full of possibilities. We focus each day on delivering transformative innovations that bring smarter, more personalized care to all of us. We work at the critical intersection where innovations that save and sustain lives meet the physicians, nurses and pharmacists who make it happen. We are committed to improving outcomes for patients, and helping our partners meet the evolving challenges and opportunities in healthcare around the world.

Company Vision

"To be a global leader in innovation, driving positive change in our industry and the world. We envision a future where our products and services enhance lives, empower communities, and inspire a sustainable, thriving planet. Our commitment to excellence, integrity, and social responsibility will continue to guide us as we shape a brighter tomorrow for generations to come."

Company Mission

Zorg Lifesciences and its employees work hard to provide the best health care service to doctors, hospitals, and users. We analyze our systems regularly and improve them as per the prevailing trends of the industry. Our mission is not limited to provide the best health care but we believe in fulfilling our social responsibility too. As a pharmaceutical company, we have a social obligation to provide the best services for the betterment of society and reduce the sufferings of humanity. We want to be valued not merely for our pharmaceutical products but also for the approach we carry out our research and business activities. We are devoted to improving outcome for patients, and serving our partners meet up the developing challenges and prospects in healthcare around the world.

**QUALITY IS
OUR PASSION
AND ARE
SERVICES
DETERMINED**

Zorg Lifesciences

India's Trusted Pharma Partner to the World

Your one-stop solution for high-quality pharmaceutical sourcing from India.

What We Offer:

- **Best Value Products** – Premium quality at competitive global prices.
- **Brand Your Way** – Supply under your Brand name, our reliable brand, or as you prefer.
- **Authenticity Guaranteed** – We verify genuine SOPs, certificates, and compliance documents.
- **Factory Access** – Organize and host your visit to trusted manufacturing facilities.
- **Approvals & Licensing** – We manage all required regulatory approvals for smooth market entry.
- **Customized Packaging** – Designed to meet your Area market's requirements.
- **Hassle-Free Logistics** – From India to your destination, safe and on time.
- **Negotiation Support** – We secure the best possible prices on your behalf.
- **Certified Quality** – Manufactured in accredited facilities under strict quality controls.
